

Intrigo Systems Wins Big Again in the 2018 “Provider Pros to Know” by SDCE Magazine
*Pushpinder Singh, Jeff Boyer and Jeevan Lekkala of Intrigo Systems
Presented Awards*

FREMONT, CA — MARCH 6, 2018 Intrigo Systems, a leading provider of enterprise and cloud solutions in e-commerce, supply chain and procurement in the dynamic SAP ecosystem, is pleased to announce the recognition of Pushpinder Singh, Jeff Boyer and Jeevan Lekkala by Supply & Demand Chain Executive Magazine as the 2018 ‘Provider Pros to Know’ award winners for their contributions in supply chain management.

“Supply & Demand Chain Executive congratulates the 2018 Supply & Demand Chain Executive Pros to Know recipients. The Pros to Know is a listing of exceptional corporate executives at manufacturing and non-manufacturing enterprises who are leading initiatives to help prepare their companies’ supply chains for the significant challenges in the year ahead,” says John Yuva, editor of Supply & Demand Chain Executive. “We commend this year’s recipients for their achievements in supply chain and for paving the way for the next generation of exceptional supply chain leaders. This year’s recipients embody the commitment to transformative supply chain tools and processes, earning these individuals a rightful place in this year’s Pros to Know listing.”

The Provider Pros to Know is a listing of individuals from a software firm or service provider, consultancy or academia who helped their supply chain clients or the supply chain community at large prepare to meet the significant challenges in the year ahead.

“I am extremely delighted about the recognition of my colleagues Jeevan, Jeff & Pushpinder by SDCE, “ said Kanth Krishnan, Chief Customer Officer at Intrigo Systems. “The rewards are a recognition of their deep supply chain expertise and Intrigo’s strategy to provide our clients with leading supply chain solutions with a best in class team”.

“It is my honor and pleasure to be recognized by SDCE as a Pro to Know for 2018,” said Pushpinder Singh, Practice Director of Supply Chain Management Solutions at Intrigo Systems. “I view the award as a reaffirmation of Intrigo’s long standing belief in engineering the right solution from a gamut of new and emerging technologies, to deliver a solution that is best suited to client’s needs and organizational culture.”

“With the advancements in technology and the ever-evolving business challenges faced by companies today, it is an exciting time to help our clients optimize the value of their

supply chains,” said Jeff Boyer, Director of Advisory Services. “With my colleagues at Intrigo, we have been able to successfully assist our clients in reducing working capital, increase customer service and gain greater insight and visibility to their supply network.”

“The Intrigo Systems team believes that supply chain solutions are more than just software implementation”, said Jeevan Lekkala, Practice Director at Intrigo Systems. “Successful engagements involve top management buy in through demonstrable values during the planning phase.”

The entire list of winners and profiles will be listed in the March 2018 issue of *Supply & Demand Chain Executive*.

About Intrigo Systems

Intrigo Systems is an SAP Channel Partner and a leading provider of Advisory, Implementation, and Managed Services. We develop business applications, focused on delivering customer value, in the dynamic SAP Enterprise technology landscape. These include core S&OP, APO IBP, Supply Chain, and Analytics for industry verticals as varied as Technology, Fashion, Consumer Products, Manufacturing and Chemicals. www.intrigosys.com

About Supply & Demand Chain Executive

The Pros to Know Awards recognize supply chain executives, and manufacturing and nonmanufacturing enterprises, that are leading initiatives to help prepare their companies’ supply chains for the significant challenges of today’s business climate. This year’s list includes more than 200 individuals from software firms and service providers, consultancies or academia, who helped their supply chain clients or the supply chain community at large prepare to meet these challenges—and more than 40 Practitioner Pros, who do the same within their own companies. SDCE received more than 350 entries for this year’s award. Visit www.sdcexec.com for more information. <https://www.sdcexec.com>
