

Intrigo Gets Hands On with SAP Ariba Workshops

FREMONT AND PALO ALTO, CA AND NEWTOWN SQUARE, PA— FEBRUARY 12, 2018 — Intrigo Systems, a leading provider of enterprise and cloud solutions in e-commerce, supply chain and procurement in the dynamic SAP ecosystem, announced today the schedule for its February workshops, in conjunction with SAP Ariba, being held in Palo Alto and Newtown Square.

“Intrigo offers extensive domain expertise to facilitate supply chain collaboration using Ariba. These workshops offer customers unique opportunities to see SAP Ariba and Intrigo in action while sharing tips and best practices for successful supplier integration and procurement,” said Kanth Krishnan, Chief Customer Officer of Intrigo Systems.

During this complimentary workshop, participants will learn how to:

Collaborate on forecasting and scheduling

Transact complex replenishment orders with contract manufacturers, and tiers of replenishing suppliers

Have suppliers manage their inventory and replenishment (SMI) over the network

Conduct sourcing, negotiating and contracting for new items, new specifications, and in new locations

Additionally, a customer case study will show how to gain control of inventory, increase business agility, and reduce cycle time by a leading high-tech corporation.
